Alternatives in housing? A report on self-build in Britain includes an account of nine self-build ventures	1169
Architectural school for children of rich? (Astragal)	461
Architects on Architecture—Erskine (Astragal)	309
Capital used to keep down fees	314-315
Editorial comment (Astragal)	308
Council elections	392
Results	1119
Strong team of students standing	969
Exhibition of Libyan art and architecture (illus)	562-564
Exhibition on 18th and 19th century prisons by Robin Evans (illus) (Astragal)	391-392
Fees—To be increased	314-315
Frei Otto exhibition (illus)	64
'International style' for the third world.—Debate (Astragal)	211
Lasdun talk about the language of architecture (Astragal)	1163
Aalto, Alvar	
Appreciation by Walter Segal (illus)	1012-1014
Obituary (illus) (Astragal)	964
Obituary notice in <i>Neue Zürcher Zeitung</i> has photograph of Jo Grimond (Astragal)	1017

ABS

New insurance agency launched with Leslie & Godwin Ltd	1119
Wallingford Castle competition	
The archaeological argument by Leslie Ginsberg (illus)	1076-1077
Inquiry to decide if home can be built on site of Saxon village — Lacey's and Architects' Design Partnership plans (illus)	622-623
Lacey and ABS agree on his fees	1263
Lacey's scheme may be built if ADP scheme refused planning permission	728
Shore must be able to dismiss attempt to manipulate planning laws (Astragal)	866-867

Acton—Housing—Scheme for small homes described in The need for smaller homes	925-930
Acoustics—BRE development—Assisted resonance installed in two halls in USA	318

Acts

Community Land	
Excellent progress in preparation of land acquisition reported by Gordon Oakes	155
'A threat to the workload and a new role for the architect' Report by Brian Waters (illus)	222-224
Land scheme summary (illus)	224-225
Raison claims it could give local authorities the incentive to develop counter to the interests of good planning	317
Farmers Registration Act—Architects should campaign to protect practice as well as title—like farmers (Astragal)	768
Health and Safety at Work Act—How the act affects you, by Evelyn Freeth	1290
Advice Centres—London, Hillingdon (illus)	306-307
Aesthetic control—DOE sponsors major study by planning consultants	1020
Aesthetics—What did the cylinder say to the cube? by Henry Law (illus)	1160
Aggregates—Seventy per cent of GB rock resources estimated to be in Scotland—Verney report	1170
Agrement Board—Cavity Wall insulation—DOE Circular 11/76 brings previous list of products in line with Agrément certificates	318
Aire Valley, Yorkshire—Proposed trunk road—Enquiry abandoned owing to behaviour of objectors	317-318
AIA—Competitions—Furniture design competition	574

AJ

Annual Technical Review/(Agm)/	285-304
Editorial comment	261
Continued	447-454
Information sources for the architect/(Agm)/ —by Dargan Bullivant	543-547
AJ Handbook of Housing Rehabilitation/81(W6)/	
1. Introduction	991-997
2. Repair and maintenance	
TS 1 Approach	999-1003
Editorial	963
TS 2 Pitched roofs	1147-1156
TS 3 Flat roofs	1239-1244
TS 4 Structural stability by J Pryke	1245-1252
AJ Handbook Ironmongery /X17/	
Section 6 Selection and Communication	
TS 1 Selection (Tables)	91-100
TS 2 Communication	251-255
List of contents	807
General index	809-812
Astragal misses selection charts	152
AJ Handbook Stone /Ye/	
General index	47-51
AJ interviews—Erskine, Ralph (illus)	417-420
Postage cost of AJ greater than cost of AJ (Astragal)	261-262
Special issues	
Civic Trust report on Heritage Year	355-390
Rural settlement and landscape	103-146
Appendixes by J. B. Weller	189-205
Alcester—Conservation—Civic Trust report on Heritage Year—AJ special issue	355-390

Aldershot—Housing estate—Tices Meadow—Failures reported in national press	153-154	game—John McKean replies to Jameson and Darbourne and Darke	577
Aluminium		ARC UK	
Fire Offices' Committee rules—Aluminium roofing materials now allowed for some classes of buildings	1170	Devolution—Pleads for unified UK registration	154
R S Reynolds Memorial Award—Winner—Norman Foster for Willis, Faber & Dumas building, Ipswich (illus)	923	Mid-career education for the building professions Angela Hedge discusses the findings of her report	1174-1175
Superplastic aluminium claimed to be making a big headway—used in cladding for University of East Anglia (illus)	1019-1020	Points out people calling themselves architects without being registered liable to legal action	1263
Ammonia plant—Peterhead—Planning permission granted	573	Seal, Mervyn Thomas struck off register for two years	618
Andover—Housing estate—Failures reported in national press	153-154	Areas of Great Landscape Value—Public enquiries decide to run power lines through new Area of Great Landscape Value (Astragal)	1063
Appointments		Arkitekten—mini special issue on England (Astragal)	671-672
Arthur, Peter: President, Society of Chief Architects in Local Authorities	1067	Art centres—Conference at RIBA—Housing the Arts. Architects dismissed as 'irrelevant'	771
Barnett, Kenneth: Head, DOE Housing Directorate	1218	Art Galleries—Tate Gallery—Delaroche painting rediscovered after being declared total loss (Astragal)	58
Casson, Sir Hugh: trustee, Natural History Museum	66	Art Net—Rally—focuses on design over last twenty years. Report by Richmond Bauer (illus)	1265-1266
Casson, Sir Hugh: President Royal Academy (Astragal)	391	Arts Council—Photography bursary announced	66
Donaldson, Lord: Minister for the Arts (Astragal)	1017	Asbestos	
Foster, Professor Christopher: Director, Centre for Environmental Studies	318	Asbestos kills claims current safety regulations not sufficient	871
Hall, Eric: member of Scottish Building Standards Advisory Committee	15	Committee to be set up to consider health risks	1022
Lasdun, Denys: trustee of British Museum	169	GLC report specifies permitted use of asbestos-based materials	1170
Lazarus, Peter: DOE Housing industry control	265	Health and Safety Commission to set up committee of experts to examine health risks	675
McBride, Jim Scott: director general BDA	156	Licensing scheme for disposal of asbestos waste to be brought in soon	1070
Malden, C P Scott: DOE Construction industry control	265	Vandalism exposes tenants to asbestosis danger on Pepys estate, Deptford (illus)	822
Mansfield, June: acting administrator SAAT	65	Wholesale removal from existing buildings could do more harm than good—R Frieson	1070
Matheson, A S: member of Scottish Building Standards Advisory Committee	15	Ashwell—School—Extension to primary school and new school at Cottered described by Maurice Taylor (illus)	471-475
Milne, Joan: bursar St Hugh's College, Oxford (Astragal)	614	Association for the Protection of Rural Scotland 1976 award—Details	466
Penney, Lord: head of Standing Committee on Structural Safety	526	Assn of Consultant Architects	
Shore, Peter: Secretary of State for Environment (Astragal)	722	Calls for building industry not to be used as the nation's economic regulator	923
Simpson, Bill: Chairman of Cttee set up to consider health risks from asbestos	1022	Concludes with SCALA that the public and private sectors are neither more nor less profitable than one another	155
Stephenson, Lilian: chairman, Faculty of Building	1069	Criticises GLC's decision not to commission private architects	1170
Straw, Jack: advisor to Peter Shore at DOE (Astragal)	867	Joint emergency committee on employment in the building industry is to be set up	417
Trench, Peter: chairman Construction and Housing Research Advisory Council	969	Association of Official Architects	
Architects		Make or break year—worried about Trade Unions and Labour Relations Act	1021
Donations to buildings they have designed must be carefully selected (Astragal)	411	'More important than it has ever been' due to Trade Union Act	466
Ireland—Government introduces registration. Report by Neil Steadman	678	Astragal	
Private contractors' construction census shows fewer architects work for private contractors	832	Fifty years old (Astragal)	152
Scotland—Do Scottish architects need devolution? by Robert Forsyth	397-398	Review of the year 1975	5-9
Architects' approach to architecture		Awards	
Connell, Ward and Lucas (illus)	467	Arts Council photography bursary announced	66
Pentagram (illus)	270-271	Association for the Protection of Rural Scotland 1976 award—details	466
Piano and Rogers—Report by Alastair Best (illus)	1217	Belgian National Housing Institute Awards for groups of family houses and apartment blocks	1218
Architectural education		Birthday honours 1976	1170
Centre on Environment for Handicapped Seminar on need for greater awareness of requirements of disabled people. Report by John Penton	66	British Tourist Authority heritage year awards for landscape (illus)	155-156
Grants to private practices employing architectural students to be continued in 1976/77	1022	Concrete Society	
Mid-career education for the building profession Angela Hedge discusses the findings of her report	1174-1175	Results of 1976 awards (illus)	1120-1121
Schools of Architecture		Travelling bursary announced	66
Canterbury—Architecture day. Report (Astragal)	1112	Country Landowners Association 1976 awards scheme for farm buildings in England and Wales	527
Hull		Design Council—Winners 1976 (illus)	619
RIBA education and practice committee report improvement	1218	Devon Conservation Forum—Good house design in Devon—details	823
Students among prizewinners at Habitat competition	823	DOE—Good design in housing awards 1976—Entries invited	220
Schools of Architecture Council		Eternit—Result of biennial award (illus)	814-816
Conference at York. Report by John Carter. Paper by Tom Markus	729	Financial Times Industrial Architecture—Incinerator at Linwood (illus)	530-531
McEwen criticises heads for action against AJ reporter (Astragal)	866	Furniture Design Award—Details and closing date	679
Meeting of heads of schools to be held at RIBA	15	Handicapped—Scottish Council on Disability, RIAS and Scottish office—nominations due by 30.4.76	574
Press thrown out of meeting (Astragal)	768	Harkness Fellowship offered for study and travel in USA	1218
Mid-year conference set in context of RIBA's competence report. D T Yeomans	154	Housing	
Regional group inaugurated for SE	1170	Devon Conservation Forum—Good house design in Devon—details	823
York conference report claims majority of students not 'unemployed'	1119	Melchett award to Philip Hilliar for research into low technology housing (illus)	773
Specification study 3(A3u) What should the schools be doing about specification? by Richard Silverman	347	Welsh good design in housing. Entries for 1976 now being accepted	1119
Students—SAC York conference report claims majority of students not 'unemployed'	1119	International Timber Architectural Award	
University Grants Committee statistics place architecture with home management (Astragal)	462	Number of young and unknown prize-winners (Astragal)	1062
What can be done—article by John Carter	743-761	Winners (illus)	1024-1029
York Centre and RIBA Eastern Region seminar—Concludes professions should find new ways of learning together. Report by Robert Foster	217-218	Melchett award to Philip Hilliar for research into low technology housing (illus)	773
Architectural practice		Museums—Stoke-on-Trent—Gladstone Pottery museum—Winner of Museum of Year Award (illus) (Astragal)	1255-1256
ACA and SCALA conclude the public and private sectors are neither more nor less profitable than one another	155	New Year Honours list	15
